

3.96mm Wire Harness

HRS DF63 Series

3.96mm Pitch OTS Discrete Wire Harness Based on HRS DF63 Series WTB /WTW Connectors

HRS DF63 Connectors are reliable and has a large current carrying capacity. It can be used with a wide variety of signal, power supply, and output circuits that appear in consumer electronic products.

Conbeone released the off-the-shelf cable assemblies based on HRS DF63 Series connector. It provides a wide length range options and color options.

OTS Cable type:

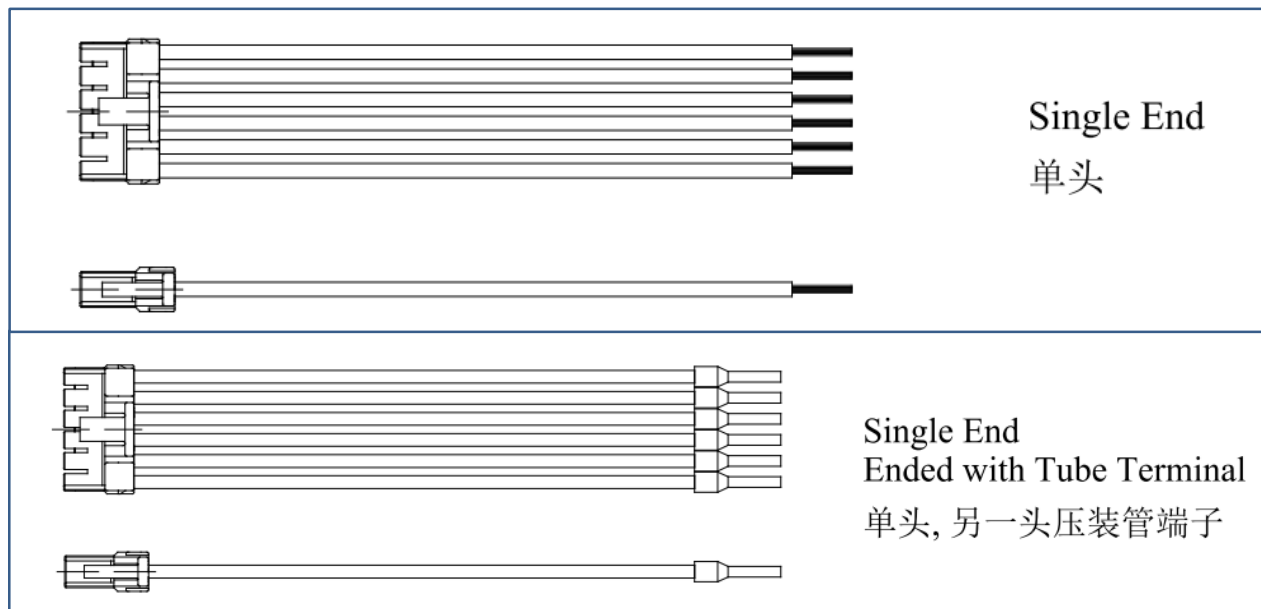

Wire Harness Ass'y (Receptacle)

Materials:

- Housing: DF63-*S-3.96C
- Terminal: DF63A-1618SCF
- Hook Wire: UL3239 Silicon Rubber Wire, 16AWG, 3000V, 150°C.
- Wire Color: Black, Red, Yellow, Blue, Orange, Green
- Cable Length: 100mm, 200mm, 300mm, 500mm, 1000m on the shelf. Customization for other length.
